\$730,000

An excellent opportunity awaits the discerning buyer to secure an ideally positioned residence or investment, offering convenient access to a host of amenities. Nestled within a secure complex amidst the picturesque bushland of Reedy Creek, this property is just minutes away from Varsity train station, the Brisbane motorway, and Robina Town Centre. This expansive townhouse, meticulously presented, features four generously sized bedrooms-two on each floor-an updated kitchen, and a contemporary bathroom. With its pristine condition and attractive layout, this home boasts significant rental potential, making it an ideal choice for either a young family or those looking for a growing investment. The property extends its appeal outdoors with a fantastic alfresco area at the rear and a sizable yard space that comes with the title. Although part of a complex, this isn't just any townhouse; it's a four-bedroom home situated within an estate that includes two pools and a tennis court. The added convenience comes from the fact that you won't have to worry about maintenance - the onsite manager takes care of it all. The Body Corporate is reasonable and offers great value for the amenities and services provided. Contact Tina Nenadic on 0402 98 48 98 for further information
