Located in a quiet no-through section right at the end of the already tranquil Campbell Street, this stunningly presented 4 bedroom, 2 bathroom home exudes heartwarming classic charm while presenting a single level design that will please families. Beautiful original detail that has been superbly maintained really makes this home such an appealing opportunity. This property impresses right away thanks to two separate and spacious living areas, including the front lounge room with open fireplace which is north-facing and gets great sunlight, and the neighbouring family and dining zone which is extensive and flows into the completely updated kitchen. This contemporary cooking hub is splashed with stone detail while also offering an island bench, wine storage, and stainless steel appliances. The master bedroom has entry to a walk-in robe and private ensuite, while 3 more bedrooms are only steps away from the charming main bathroom.
