Great opportunity to buy in the sought-after older part of Singleton so now is the time to put your design ideas into reality and build your forever home. This large 793sqm block of land has an approx frontage of 19.7m and is opposite the beautiful beaches of Singleton where you can enjoy the sound of the waves and soak up the endless sunsets. There is mains water, mains gas, nbn & power to the street. Deep sewer is not available to the area so a septic system would be required when building. The Singleton lifestyle offers a bowling club, tennis courts, community hall, parks, primary school & shopping village. Perfectly situated just minutes to public transport and a short drive to the freeway, Karnup shopping center & Coastal Lakes high school.
