The property is situated in the heart of Werribee South, which implies easy access to the local amenities and attractions in the area. Being close to Wyndham Harbour provides residents with access to a range of facilities and possibly beautiful waterfront views and activities. The property has an open and well-thought-out floor plan, which is likely to make living and entertaining more comfortable. A spacious kitchen with ample storage is a valuable feature, making meal preparation and organization easier. The property has three generously sized bedrooms, including a main bedroom with a balcony, ensuite, and a walk-in robe. The other bedrooms have built-in robes, which is convenient for storage. The main bedroom's ensuite and a central bathroom for the other bedrooms offer convenience and privacy for residents. The property is a perfect investment opportunity, with good rental return and long-investment growth. The property is also a great option for first-time homebuyers, it is affordable and perfect for the buyers entering the housing market. Being part of a community giving you access to shared amenities, like gym & tennis courts. Currently leased to a renter who would like to continue and sign a long term lease
