Sitting proudly in the corner position of Jonathan Street and Cherry Road, this family home boasts extra parking, high ceilings and open plan indoor pool. Featuring a grand formal living with wood burning combustion fireplace and windows overlooking the trees and local paddocks with horses, you can relax on the private front terrace with local bird wildlife. The kids will love the elevated loft for their homework space, or use the plans to extend the space for more living. The master features wardrobe and ensuite with slide doors to the family indoor pool. The kitchen flows to the pool area with vast north facing windows, raked ceiling and louvred windows to let the breeze flow through. The pool includes a waterfall feature and separate spa. Imagine the festoon lights, family functions and year round swimming the kids will enjoy and never get bored. The 4 bedrooms are generous in size with wardrobes, the front room with natural views. The grassed yard is easy care with room for trampoline, picnic table and dog. There is a side gate access from Cherry Road to store your trailer. The tandem garage allows plenty of space for two cars plus a great tool workshop with room for motorbike and machinery. The wide driveway allows for a trailer.
