If you place value on having a quiet retreat for your family to enjoy year-round, don't miss out on this wonderful holiday home. It has been in the family for around 20 years and has provided many a happy memory for multiple generations. Take an easy walk to the gorgeous Beach 5 in Venus Bay's second estate. The Venus Bay boat ramp is also close by. Enjoy a day on the beach followed by some time in the inlet fishing, water skiing or paddling. The 3 bedroom home includes 2 bedrooms, a bathroom, separate toilet, laundry and living space on the ground level. Upstairs is a master bedroom with en suite and walk-in robe, huge open kitchen/dining/living area plus a front and back deck. Both the front and back yards have plenty of space and privacy to relax and enjoy the outdoors. Undercover parking is available for car, boat or van. Call now to arrange an inspection.
