Easy living, on an accessible corner block position. This well-maintained home of solid rendered block construction with tiled roof is the perfect entry point for families looking to move into this convenient neighbourhood, or buyers wanting a secure investment. Move-in ready, the comfortable floorplan features a generous size tiled living room with a bay window feature, accompanied by a practical kitchen and dining zone. Three light-filled bedrooms share a large two-way bathroom with separate shower and plunge bath & separate toilet. All 3 bedrooms have built-in robes and share the well-placed family bathroom. The laundry provides an effective functional element to the home. A large built-in patio provides a fabulous indoor element with casement windows, offering additional space for office, hobbies, entertainment or quiet chill-out time. The fully fenced backyard provides a safe play space for the kids or family pets. Additional features include air conditioning in living and main bed, roller blinds/vertical drapes, tiled floors, garden shed, and double lock up remote garage. Offering a low maintenance lifestyle for the first home buyer or a great addition to your property portfolio. This well-maintained home is located close to Airport, Base Hospital, Bunnings, Ooralea shopping centre. Don't miss out on this great opportunity to secure your new home.
