Buxton agents, Dimitri Damianos and Emily Duvnjak drew on Buxton's local knowledge and networks to secure a competitive off market sale in 76 Tambet Street Bentleigh East. The two factors which influence the success of a campaign are your team on the ground, and the connectivity within that brand's network. We're the most recognised real estate brand in the area because we have the most successful long-standing agents, and we operate from a single database across our entire network. That's many agents, one database and zero restrictions. To find out more about selling your property off market, contact Dimitri or Emily today.
