Nestled at the intersection of Watson and Maryborough Streets, this residence combines convenience with ample space. The timeless Queenslander design features numerous rooms for both living and sleeping, a dual kitchen, two bathrooms, and two laundry areas. With a compact grassy section, this property ensures easy and low-maintenance living. Below the main living space, there's a spacious storage area suitable for one small car. Additionally, there's a high-clearance double carport and an extra off-street parking space. At a glance: 5 Bedrooms 2 Bathrooms Living Area Brand new Air conditioning, lighting and ceiling fans Large double kitchen with 2 ovens and 2 stoves + dishwasher Polished timber floor boards 4 Car spaces available Freshly painted and ready for long term tenants
