This 76.7 hectare property would make a great lifestyle property - off the beaten track and located in a private and peaceful area. The land is mostly cleared and fenced, bordering the state forest, with Bakers Creek running through along with multiple dams - making an ideal grazing property. There are two sets of working cattle yards, a new steel machinery shed and a small 2 bedroom off grid home in need of some TLC. Call Geoff to arrange your inspection on 0429 456 689.
