Showcasing a truly magical setting, you'll have to be quick to secure this incredible resort-style property, providing a lifestyle opportunity like no other. The recently renovated, gloriously generous six to seven bedroom home sits atop a well elevated rise, providing a picture perfect sun-filled setting, overlooking five acres of fully usable land. With fabulous outdoor entertaining options including saltwater pool and tennis court, the fully versatile property also features spacious living options with lounge, dedicated dining area and top floor rumpus, plus family room, separate study and large modern kitchen with island bench. The meandering driveway up to the private estate delightfully sets the scene for what's to come, for as soon as the home comes into view, you'll know that you've discovered something very special indeed. - Extra-large family home with northerly aspect, set on nearly 5 acres of fully usable land with groomed lawns- Salt-water pool- Rumpus with fireplace- Huge master bedroom with parents retreat and ensuite- Tennis court with evening lights- Rear gazebo- Large machinery shed- 3 x 22,000L water tanks + 2 x 15,000L (approx) spare water tanks- Privately positioned, well set back off the road
