This 1.68 hectare (over 4 acre) block of land is located close to the centre of the Ingham township. In the past the block was used as a market garden area. The property does have a bore on it. It could be used as a residential area for further homes, or possibly for commercial uses (if a material change of use was approved). The property is next door to the local library & the famous Tyto Wetland, Information & Convention Centre. It is nearby the main shopping centre, banks and post office. For further details on the property, or our district, or to arrange an inspection at anytime contact the action team at Felix Reitano Real Estate!
