This home is a great opportunity for the first home buyer, ready to move into offering a comfortable sized floorplan and rooms. Neat and tidy throughout with potential to upgrade if desired. The lounge is a good size with electric heating and floor to ceiling windows, which capture an outlook of the water through the trees. Alongside is the open plan dining and kitchen which has been freshened up and offers ample cupboards. There are three bedrooms all which are a generous size, the master is complete with wall to wall built in storage. The bathroom offers shower over bath and vanity. Outside is an established yard which is level - great for kids to play. There is also a single garage, garden shed and work shed. Positioned in the popular suburb Claremont, within only minutes from the local shopping centre, and walking distance to local schools.
