A great opportunity here with this fantastic double brick home located in a desirable position in Extension Estate. The home has new carpet throughout and presents as an excellent opportunity to renovate further and add value. The floor plan features 2 large bedrooms and a sunroom, a laminate kitchen with breakfast bar, dining space, and slate tile floor, a lounge room with cast iron fireplace, and a neat bathroom. There is a covered front porch and rear patio, and rear lane access so a single garage with workshop and secure off street parking space. All set on a level 493 square metre block with established gardens and veggie beds.
