This neatly maintained three-bedroom home is a haven for growing families seeking comfort and style. The journey begins with a generous entry hall, leading to two spacious living areas, a separate study, and a sweeping master suite. The formal lounge overlooks the home's gorgeous front garden and the serene parkland just across the way. Modern, neutral finishes throughout create a welcoming atmosphere, and the home's master suite is a true retreat. Boasting a double-vanity ensuite and a walk-in robe, this private space provides the perfect blend of luxury and functionality. The heart of this family home is the open-plan kitchen and dining zone, featuring a well-sized U-shaped kitchen with modern 900mm appliances and ample bench space, overlooking an outdoor courtyard and pergola, and creating an inviting space for the entire family to gather. Three additional bedrooms, all equipped with built-in robes, are serviced by a second bathroom complete with an in-built bathtub and separate toilet for added family convenience. Ducted heating and evaporative cooling throughout complete the picture. Outside, a generously sized grassed backyard offers endless opportunities for outdoor enjoyment and relaxation, while a double car remote garage ensures privacy and convenience. Utilise a large backyard garden shed to take care of your outdoor storage needs. This family sanctuary offers a perfect blend of modern living and tranquillity, with parks, local shopping precincts and great schools nearby. Don't miss the opportunity to make it your home. Photo I.D required at all inspections.
