...talk to Di about this beautifully renovated highset home on a big 810m² lot. Gleaming polished floors reflect the glow of new led lighting in high raked ceilings. The eye is gently drawn to a rear deck overlooking the large fully landscaped, fenced back garden and a glorious view to the mountains. Generous living areas with large casement windows bring the lush green gardens to life from the inside, providing peaceful privacy throughout the home. Fresh paint in a light and airy palette of white is the perfect backdrop for the stunning kitchen, offering stone bench tops with a breakfast bar, shining new stainless steel appliances, dishwasher, loads of soft close storage space, pantry and wide fridge space. The fresh and modern bathroom has new tapware, a stylish vanity, separate shower recess and a full size bath for your pleasure! A balcony on the north east of the property, surrounded by lush greenery, is a peaceful nook for a morning coffee in the warm winter sunshine. This home is the perfect place to raise a family and live contentedly amid the tree tops - with the opportunity to create more living space under the house and the potential to split into two blocks (STCA) to financially future proof your life. The location is fantastic - bus stop at your doorstep, easy access to Brookside Shopping Centre, new Dan Murphy's/Brook Hotel, Teralba Parklands, Mitchelton Train Station, Mt Maria College and the party atmosphere and culinary delights of the Everton Park Lane Dining Precinct, supermarkets and all professional/beauty services. Everton Park is a family friendly suburb, within a 10 min drive to a wide range of high quality State and private schools.
