\$775,000 - \$825,000

Located in the heart of Chelsea and only steps to Bicentennial Park this opportunity is not to be missed. This charming weatherboard home set behind high private fences and beautiful established gardens is ripe for renovation or knockdown and rebuild your dream home. (STCA)The home itself comprises of two generous sized bedrooms, central bathroom with shower over bath, open plan living and dining, functional kitchen with ample cabinetry and designated laundry. Additional features include split system, carport and garden shed. Whether you're looking for your first home to put your own touch on, a renovators project or the site for your forever home this one ticks all the boxes. Enjoy everything this beachside suburb has to offer and reap the rewards as the years go by. Perfectly positioned with everything Chelsea has to offer moments away including the beach, schools, shopping strip, public transport and of course Bicentennial Park. For more information on this home please contact James French on 0434 955 657.
