Located only two blocks from the CBD is this gorgeous fully renovated cottage. The home is larger than it would appear from the street, featuring a large kitchen, separate meals area and a separate lounge giving plenty of living space. The kitchen has plenty of cupboard space and gas & electric cooking. The two bedrooms are a good size both with electric heaters for those cold days and nights, and the combined bathroom/laundry is spacious. At the back of the home, a large outdoor living area looks over the rear yard with a garden shed and carport. This property has a low maintenance back yard and benefits from laneway access to the side and the rear.
