Behind the incredibly private façade reveals a 1920 cottage with a sundrenched courtyard, inviting you into this enticing property. Only a minutes' walk to the vibrancy of the city centre, and a range of well reputed schools, offering convenience, right in the HEART of Devonport. Inside, the compact yet practical home offers a cosy lounge, dine-in kitchen overlooking the lounge, two bedrooms, and a bathroom with toilet. The studio offers a versatile space, complete with custom cabinetry, storage room and Daikin heat pump. This area was previously utilised as a successful day-care for many years and has the option to be a "work from home" scenario. An enclosed entertaining area along the back of the home provides an alternate living area and is the ideal connection between the studio and the home, with access to the 2nd toilet and laundry. Set on a flat 370m² allotment, offering a secure yard with a double carport and a sealed driveway for additional parking. Property Features: • Kitchen features a Smeg dishwasher and cooktop. • Main bedroom features a built-in robe. • Daikin heat pump in lounge. • Heat Pump hot water cylinder for extra efficiency. Allow yourself to give into this ageless beauty. To arrange your inspection, contact Sharyn Crack today.
