This home has a welcoming ambience- air flows through the whole house. Surprising with three bedrooms, two living areas, a large kitchen dining, South facing deck and lovely north facing patio it is a delight. 2 of the 3 bedrooms have BIR's and there is conveniently a 2nd toilet. The property was re stumped in 2022 and a new electric heat pump HWS installed four years ago. In addition there are 12 solar panels, a garage/ workshop, garden shed, disabled access ramp and a watering system throughout the property.
