Fully established this home has a calming resort style feel with a mature low maintenance garden, fantastic outdoor living area and classy pool/spa area. The home itself includes 4 generous bedrooms, all with built in robes and the main bedroom is more of a bedroom suite that overlooks the outdoor living/pool area, giving the home that real resort style feeling. Other features include a walk-through robe plus another separate robe, and generous ensuite with bath. The other bedrooms are serviced by a centralized rumpus room, powder room and family bathroom. A great feature of the home is the generous living space that offers a real blend of open plan and formal space including a formal and informal living room, children's rumpus, separate study, dining area and generous central kitchen, plus this fantastic covered entertaining area that is real extension of the home. The indoor/outdoor entertaining area has an atrium feel with access from three separate sliding doors, making it a real focal point with the backdrop of the pool. The kitchen is generous in size and includes a walk-in pantry, 900mm cooker and stone bench tops. Amongst many features the home includes ducted heating and cooling throughout plus a feature 2-way gas log fire in the formal living and dining. From inside to out this property enjoys a generous 1026m² (approx) allotment with double garage and internal access into the home, excellent frontage allowing for a side drive that leads to a 6x4m (approx), colorbond shed, plus separate parking space for the caravan. In fact, the drive is generous enough for the boat as well, plus other vehicles, all tucked away behind gates. Generous off street parking is a real bonus and quite rare these days! The entertaining area includes a built-in bench with BBQ and leads to the pool area which is a real stunner and includes a spa with waterfall edge. The pool is solar heated, and the spa is gas fired making it a year-round luxury.
