Time to escape the bustle and chill out on your own 100 acres of undulating country, and a 4 bedroom Homestead with wide verandas to take in the stunning views of the valleys and mountains of the surrounding area. Just 3 hours from Sydney, 30 mins to Mudgee, and historic villages of Kandos and Rylstone. Main road entry, what else do you need? Well how about good fencing, 7 paddocks, 4 dams, 12m x 6m shed, cattle yards with ramp, stables and dressage arena, mains power and 90,000 litre water storage.
