Johnson Park is the stunning backdrop to this modern two bedroom two bathroom residence showcasing cutting edge contemporary design. Bedrooms with built in robes, boast a leafy presence opening up onto private decks that back onto the park. A soaring living room showcases extensive glazing that overlooks the park, and also extends to a rooftop terrace. This modern residence promises an inner-north lifestyle that is spacious, stylish and utterly sophisticated. A streamlined Smeg/Technika appointed kitchen/meals featuring stone counters connects to the terrace. Luxe bathrooms complement the bedrooms, main with ensuite. Quality appointed with a sundrenched stairwell, polished hardwood floors, heating/cooling, double garage with internal entry and a car turntable facilitating access. This high-end home zoned to Northcote High is central to High Street and Fairfield Village, near transport, local cafes and Northcote Aquatic and Recreation Centre.
