This incredibly renovated three bedroom home is simply stunning. Meticulously crafted and filled with love, every detail has been carefully considered. Natural light floods the interior, which has benefited from restumping, new electrical, wiring, insulation, plumbing, and landscaping. The rear of the house has been extended to create an open-plan living, dining, and kitchen area. The kitchen itself is a statement piece, featuring luxurious marbled tiled splashback, a Falcon dual fuel burner cooker with a fitted pot tap, and an island bench. Stackable doors open onto a decked alfresco area and landscaped garden creating an inviting atmosphere. Three bedrooms, include 2 BIRs and option for a study/third bedroom, offering flexibility. The central bathroom is a luxurious oasis, incorporating a euro- laundry. Highlights include ducted heating/cooling, split system, Baltic floors, shed, ROW and close proximity to local primary school, parks, shops and public transport.
