- Agents on-site for Inspection - Saturday 2 December 10am-10.45am- Architecturally stunning and brilliantly designed to fully capitalise on its privileged position this home has a pedigree all of its own. With some 12 main rooms accommodating a myriad of lifestyles, there is a perfect merging of formal and informal entertaining and living areas with a clear focus on space and versatility. There are 4 bedrooms all with ensuite bathrooms plus guests room, formal and informal living and dining rooms, media room, library and separate office /study. Designed by eminent Darwin Architect Hully Liveris, the home features a large and spectacular gallery overlooking a lap pool and spa which becomes a stunning focal point for the entire residence. Entertaining areas can be formal or informal and relate perfectly with shady verandahs and balconies where you can fully appreciate the magnificent ocean views and breezes. Stunning sunsets and sea vistas can be enjoyed forever. The sheer detail within the home is quite remarkable and fully justifies its magnificent location.
