Protected by a tall fence, this blonde brick Deco is pretty as a picture. Solidly built and retaining the hallmarks of its heritage, this updated residence is in the ideal condition to move in and enjoy. The home welcomes with hardwood floors underfoot and tall ceilings overhead adorned with deep decorative cornices. Comprises a lounge anchored by a warming clinker brick fireplace that's flanked by sash windows that capture the north light. An adjoining dining room flows through to a spacious kitchen appointed with 900mm gas cooking and dishwasher. Also features a well-separated master bedroom, sparkling bathroom with tub, large laundry room, tidy and usable yards in the back and front of home, gas ducted heating and double carport parking. Stroll to the newly revamped Princess street playground otherwise take a slightly longer walk to enjoy the up-and-coming Huntingdale village or the vast and unique offerings of Oakleigh village with market grocery shopping, cafes, late night eateries, library, bus hub and train station. Also close to Oakleigh Pool & Recreation Centre, Huntingdale Golf Club, Monash Toy Library and Chadstone Shopping Centre. Zoned for Huntingdale Primary School and South Oakleigh Secondary College. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
