Wanting a family home with a large back yard... well this one is it! 78 Marathon sits on a 1163m² block and is centrally located close to schools, and the main hub of Proserpine with side access to a good sized shed, high enough to house a caravan with powered lock up shed attached. Big blocks are hard to find and this one is a ripper, with plenty of room for a pool or whatever your heart desires. This home has been renovated with new timber look vinyl floors, painted, has a new kitchen and fully airconditioned throughout. Just 5 steps of the ground and you come into the lounge/dining which leads into the kitchen, down the back steps to large bedroom and laundry. With 4 rooms around the perimeter upstairs and a large room being used as a bedroom also located downstairs suitable for a teenager retreat or a visiting family friend. This home has it all. Please call me today for a private inspection on 0438755725.
