\$50,000

Under Offer This family owned and run business is up for sale for the first time in over 20 years. Situated in the Main Street of the wheatbelt town of Kellerberrin and having street frontage onto the Great Eastern Highway as well, this business is in a prime location. Small enough to be run by a family but big in possibilities. We are selling this property with all the butchery equipment included as well as fridges and counters (list available) and it has a good sized 2 door entry cool room in the middle room of the building. Rear laneway and yard access for vehicle and deliveries. Vendors would like to sell as walk in walk out. However the property can be bought freehold only and Vendors will remove and dispose of fixtures and fittings. Asking price for the building only is \$50,000.00. Become part of the small close knit community and supply the community. For further information please contact Michael Greenwood 0438 116 044
