Looking for a good sized block, close to town that has some 180 degree outlooks? A very rare opportunity to purchase a 2.5ha slice of paradise with privacy on Robertson Road. There are two older sheds on the property plus there are rainwater tanks attached to both sheds. The 180 degree views are awesome, being elevated there are views over Port Lincoln to the national parks, glimpses of Boston Bay and beyond, these enjoy the everchanging outlooks. You will have the chance to design and build your own home to capture these views, this is certainly a lifestyle opportunity. Power is available and being approximately just 5 minutes to the CBD of Port Lincoln plus everything else the Eyre Peninsula has to offer is within reach.
