This renovated home is a must-see for anyone looking for a great first home, investment, or development site. With a prime location on a corner block, you'll be centrally located and close to everything you need. The lounge area is spacious and features a split system for your comfort. The well-appointed kitchen is perfect for cooking up a storm, while the separate meals area is great for enjoying your meals with family and friends. All bedrooms come with built-in robes, ensuring you have plenty of storage space. But that's not all. Outside, you'll find a fantastic outdoor entertaining area that's perfect for summer barbecues and get-togethers. And with a garage, you'll have plenty of space to store your car and other belongings. But perhaps the most exciting thing about this property is that it's in three titles, making it an ideal development site (STCA).
