When it comes to ticking boxes, this modern three bedroom home does it in spades. Currently tenanted until June 2024 and located toward the end of a cul-de-sac in the continually emerging suburb of Zuccoli, 78 Tuckeroo Blvd, will impress from the moment you pull up to the front. To the left is the pebblecrete driveway that leads to the double lock up garage with auto entry. To the right are the wide swing gates that offer extra vehicle access for when the boat arrives and in the centre is stylish timber and glass panel door that leads into your home. As you step inside and walk through the hallway you will notice the timber look floor tiles which blend so well with the look and feel. Once you step into the living areas, you are greeted by the creative culinary center of the home also known as the kitchen. Your eyes will dart from the abundance of cupboard space to the island bench, station style tile splashback and stone tops. This space has been designed to be a focal point where families can connect. The living areas seamlessly connect to the kitchen and flow easily onto the outdoor patio area. All three bedrooms easily accommodate Queen beds. Whilst bedrooms two and three are complete with built in robes, bedroom 1 affords the added comfort of a walk in robe and private ensuite. Your main bathroom offers a separate bath tub and shower. Ideal for families with toddlers. The main toilet is separate again. The rear yard offers loads of space for the kids and pets to run around and burn off that excess energy and the high fences will keep them in. This home backs onto a bush reserve, so no neighbours behind. This home is a home that has loads to offer. Council Rates: \$1,807.38p.a.
