Located minutes from the township of Halifax, and less than 20 minutes to the beaches, this beautiful vacant block is perfect for the buyer looking to build their dream family home in a peaceful and tranquil location. This parcel of land is over 3/4 acre (3332sqm) and is tucked away privately from the main road. The has some cleared land as well as a mix of established fruit trees. This corner block has few limitations for a home site or shed, because of it's size and the numerous options for access. Town water and power are accessible for this block, so once you have picked your home plan, you can start your build. To arrange to meet onsite or for a virtual inspection, please call or email Nathan Henderson. Close to the river, this peaceful spot in such a central location is well worth an inspection.
