This exquisite property is sure to captivate even the most discerning eye, boasting premium fixtures, designer features, and impeccable craftsmanship throughout. The expansive hallway immediately impresses with meticulous attention to detail, setting the tone for the entire home. Every conceivable extra to elevate your lifestyle has been thoughtfully incorporated into this stunning abode. Designed for effortless maintenance without compromising on luxury, the practical layout ensures the entire family can relish in its splendor without the burden of extensive upkeep. Nestled for privacy, the master bedroom offers a serene retreat at the front of the home, while the additional bedrooms, generously proportioned and complete with robes, reside along a separate corridor towards the rear. Each room is equipped with reverse cycle ducted air conditioning and ceiling fans, complemented by roller shutters for added comfort and tranquility, facilitating a restful sleep environment. Features with: His/Her walk in Robe in the master bedroom. Good shower recess in the master bedroom. Roller shutter throughout the home. Open plan and well presented kitchen. Solar panels. Good sized bedroom. Easy maintenance garden. Timber floor board through out the house. Please contact Ken 0460400895 to arrange an inspection or I'll see you at the home open.
