79 Green Street Wangaratta provides the perfect opportunity for someone wanting to live central and have a fully renovated home on a large 896m² allotment size. The home consists of three separate bedrooms, study, separate bungalow with ensuite, built in wardrobes to all bedrooms and ensuite to the main. The living areas are open plan with two separate living areas, separate meals area, fully renovated two pac kitchen with solid timber benchtops and butlers pantry. Heating and cooling are well catered for with split system A/C, enclosed wood combustion heater and Evaporative cooling throughout. Externally there is a double garage, double carport, under cover entertaining area, amazing deck and an in-ground salt chlorinator solar heated swimming pool. The home has been beautifully transformed with no expense spared from top to bottom and is in a great central location close to sporting facilities and the main street.
