\$2,950,000

Offering a country style retreat and enviable farming lifestyle in the heart of the Sunshine Coast, this residence is truly something to behold. The property is an oasis of tranquility that is within a 20-minute drive from a number of popular beaches and town centres. The beautifully presented farm style home overlooks 22 acres of tree lined, grassy paddocks with stunning views toward the ocean. Currently used to graze cattle, the fenced paddocks contain a total of 5 dams and provide ample space, feed and water for livestock. Features of the home include:- Functional and attractive U-shaped kitchen with views toward the inground pool and covered outdoor space- Dining room adjacent to the kitchen- Spacious living room complete with fireplace for keeping warm on a chilly winter's night- Three bedrooms with built in wardrobes- Two bathrooms (main and ensuite)- Sitting room/office that could be utilised as a 4th bedroom- Ceiling fans throughout, and air conditioning to the main living space & sitting room- Wrap around verandah with additional covered outdoor patio by the inground pool; ideal for entertaining or unwinding- Triple lock up garage with front and back roller doors- Two additional sheds for storage of farm equipment or vehicles- 70,000 litres of rainwater collected and stored in 3 tanks Homes of this calibre, so close to all the Sunshine Coast has to offer, rarely come to market so don't miss the chance to book your private inspection of this outstanding residence.
