\$780,000 - \$830,000

Picturesque view, white picket fence and characterful front veranda - what more could you ask for! With features aplenty, this three bedroom home more than delivers on interior and exterior style, comfort and charm. Updated character appeal with a contemporary twist is brilliantly showcased with fresh neutral colour scheme, fashionable floating flooring underfoot and sleek modern kitchen. A well designed stone topped galley kitchen takes centre stage, promoting intimate family meals or entertaining with an eye catching black 900mm stove, Bosch dishwasher, glossy white cabinetry and feature hexagonal wall tiles. Semi open plan and warmed by cosy coonara the living space opens to the veranda while a sliding door in the dining space extends to the undercover outdoor area. Host barbeques with family and friends or simply enjoy the great outdoors protected from the elements. Stone front steps and gabions along with recycled brick retaining walls and paths enhance the beautifully landscaped garden with lush lawn enjoying gorgeous view across the valley to treed hills on the other side. Master bedroom is well appointed with walk in robe and ensuite while a further two robed bedrooms share bathroom and fitted laundry. Further features include split system heater/air conditioner, garden shed and double carport. Enjoy a walk along Aqueduct Trail to town for coffee or shopping, this wonderful location offers access to walking tracks, reserves and Lilydale Lake along with Mt Evelyn Memorial Pre-school, Birmingham Primary and a number of quality secondary schools.
