Our vendors have had a change of plan and want this sold, meaning they have reduced the price to meet the market. Boasting three bedrooms, a natural light filled lounge room, and a separate dining area, even the most fussiest of buyers will be ticking all the boxes. The kitchen is modern and includes a dishwasher, stainless steel range hood, and a breakfast bar, whilst still having room for a table and chairs. Storage is plentiful throughout the home with linen and coat cupboards, and a convenient second access is provided courtesy of the sliding door to the carport. The gardens are both well established and low maintenance, and an under home garage, with extra storage space, completes the package.

This home will suit any astute buyer, and we encourage you to call and inspect without delay.
