Appreciate the Art Deco charm and elevated aspect of this gorgeous 2 bedroom solid brick semi-detached classic. Mesmerising with its high decorative ceilings, rich stucco walls, hardwood floors, plate ledges and sparkling chandeliers, this heartwarming treasure reveals a gorgeous security porch, a proud entry hall, double leadlight doors to an irresistible lounge with floating joinery and gothic style fireplace; a genuine dining area with views of the city high rises, a tasteful kitchen with meals/study area, a beautiful main bedroom with a wall of fitted robes, a sizeable 2nd bedroom with built in robes, a central bathroom and fitted laundry with a 2nd toilet. Soaking in the northern sunshine, a fantastic rear deck sits elevated over the neatly landscaped rear garden taking in the serenity of nature. Quiet inside with double glazed windows and plantation shutters in the front room, this appealing home has the added qualities of ducted heating, reverse cycle air conditioning, an irrigation system, a garage and ample parking on a bluestone cobblestone style concrete driveway. The house has a double brick façade with high performing underfloor and above ceiling insulation and external window shutters to help maintain a comfortable indoor temperature through all seasons. On the edge of Middle Camberwell Village, metres to the city tram, a choice of cafes, both supermarket giants and walking distance to an abundance of parks and trails including Highfields Park, Frog Hollows Reserve and the Anniversary Trail, Canterbury Primary School, numerous leading schools and Riversdale station.
