Introducing 792 Sunrise Road, situated in the majestic Noosa Hinterland Tinbeerwah. This extraordinary property has been tightly kept and is now coming to the market for the first time in over 10 years. Upon entry into this divine residence, you have multiple options as it supplies three different entrances, providing ample opportunity. This perfectly manicured property has an abundance of native Australian fauna and flora, with literally thousands of newly installed plants, this residence truly encapsulates Australian living, with absolute privacy and tranquillity whilst simultaneously only been located a short drive from bars, cafes & restaurants. The landscape of this property is truly something else, all useable land with a gentle slope in parts making it ideal for those wetter months. Multiple sheds and garages can be found located on the property, ideal for cars, caravans and boats or simply just having that bit of extra storage, which is always helpful. Newly renovated kitchen & bathrooms and a brand-new shade of paint this property is very much looked after, resulting in a fantastic residence. Dual living is also on offer with downstairs fully equipped to cater for guests, teenage retreat or elderly family, adding yet more value to an already beaming home. Property throughout the 'Golden Triangle' is tightly held and highly sort after, even more so with the calibre of this particular property. Call Guy Booker today! Property Code: 558
