This virtual waterfront cottage presents optimal position, on a 1111m² approx block. A 'shack' for the perfect getaway with friends, family and pets, or as your permanent residence in a peaceful, and relaxing setting. Consisting of 4 bedrooms, 1 bathroom, separate laundry, with solar panels and generator. Additional storage rooms adjacent to laundry and end two bedrooms inside. Open plan living/dining and kitchen with in-built wood fire. Kitchen with oven and stove. No need for camping gear! Leave your things here permanently, minimising packing if you'll be coming and going. Bathroom with shower, toilet and vanity. Covered front 7.9 x 2.4m² deck, and porch with ramp. Leave as is or renovate/extend (STCA). Either would make this your 'destination location.' Bring the kayaks, tinnie, and the ski-biscuit for the ultimate summer weekends spent by the beach at your doorstep. Or, settle in during the winter months around the fire. The property backs onto the Southwest Wilderness Heritage area, and with amazing attractions close by such as Hastings Caves, the South Cape Track, this is a rare opportunity to explore. Great location for the fishing enthusiast. Southport Township is only a 15 minute drive with local shop, and pub. Be quick to contact listing agent Danny Boon for all enquiries.
