Offering the size, privacy and exclusivity of a house, this supremely large Torrens titled duplex makes a great home that's big on space and filled with natural light. Its flowing interiors enjoy elevated bush outlooks over the neighbouring reserve and provide an expansive dual-level layout, an easy low-maintenance design and the quiet sense of seclusion that comes with being positioned in such a sought-after part of Cherrybrook. It's also freshly presented throughout and very conveniently located with Appletree shops, bush trails and Cherrybrook Village all walking distance away. A great house alternative with your own separate driveway and garage. Expansive alfresco deck and leafy tree-filled views over the bush reserve. A flexible layout featuring four bedrooms and an upstairs family area. The huge master retreat has an adjoining sitting area/study and ensuite. A newly renovated kitchen featuring quality appliances and finishes. Generous open living area with tall raked ceilings and combustion fireplace. A separate rumpus room, modern bathroom and an internal laundry. Immaculately appointed throughout with new carpeting and paint. Well-located in the catchment for Cherrybrook Technology High School and John Purchase Public
