Available for lease now is the ground floor of this property, located in the much sought-after area of Mccracken. The layout seems thoughtfully designed for both comfort and convenience. The carpeted lounge area offers a cosy space to relax, while the modern galley style kitchen with wooden flooring adds a touch of sophistication. Having a reverse-cycle air conditioner is a bonus for maintaining a comfortable temperature throughout the year. The three well-sized bedrooms are perfect for a small family or individuals needing some extra space. The carpeted family room opens up to the yard, providing a seamless transition between indoor and outdoor living. A spacious bathroom with both laundry and shower facilities blends practicality and functionality! Having a carport at the front of the property ensures convenient parking, which is always a plus. And the small shed located at the side of the property adds extra storage space, which is always handy. Overall, this property has a lot to offer in terms of comfort, functionality, and outdoor space. Sorry, no pets at this property. \*PLEASE NOTE\* Yard maintenance is the responsibility of the tenant.
