Quality, convenience and amazing space Set at the rear and one of only two on the block, this impressive residence delivers a terrific low-maintenance lifestyle with its surprisingly spacious floorplan, top-quality features and expansive outdoors to enjoy. Definitely more house than villa, the free-flowing interior showcases a large master bedroom with WIR and private ensuite, as well as two additional bedrooms (BIRs), main central bathroom and separate WC. Filled with natural light, the versatile open-plan living/dining area is further enhanced by a stunning stone-bench kitchen with soft-close cabinetry, Moroccan-tiled splashbacks, ample storage space and a full suite of Fisher & Paykel appliances. Other stand-outs include ducted heating, split-system a/c and ceiling fans to all bedrooms, along with Blackbutt solid hardwood floors and full-size laundry. Step outside to discover a wonderfully wide yard with home office/studio, entertaining deck, extensive bluestone paving and established perimeter gardens, plus an oversized remote-control garage and additional driveway parking. Walking distance to Milleara Road buses and Centreway's popular shops and eateries, it's also close to schools and kinder/childcare facilities, local parks and trails, as well as easy access to the Calder Freeway.
