Absolutely brilliant in a quiet pocket just footsteps from Bridge Road, this luxury townhouse's sensational space and style ensure an exceptional low maintenance lifestyle surrounded by the very best inner city amenities. Unfolding over three light filled levels, a beautifully generous easy care design devotes itself to outstanding living and entertaining with a whole floor of stunning open plan areas that, together with a chic stone finished kitchen offering oversized smeg appliances, unfold to a large undercover terrace for unforgettable indoor/outdoor entertaining. A fitted home office with built in desk and robe storage is cleverly positioned on the ground floor whilst three spacious bedrooms occupy the quieter top floor including two with excellent built in robes and ensuite access to a stylish bathroom, the generous main featuring extensive built in robes/storage and luxury ensuite. Further highlights include mid floor powder room, ground floor laundry, fully tiled bathrooms with double head showers, multiple split heating/cooling systems, ducted vacuum, high ceilings, polished timber floors, excellent built in storage, extensive glazing ensuring abundant natural light throughout, water tank, video intercom security, internally accessed remote double garage and additional off street parking. Walk to every Bridge Road shop, café, restaurant or nightlife venue, trams, trains, the MCG, local schools and sought after Melbourne Girls College with just minutes to the CBD, Sports and Entertainment precinct and leading private schools.
