Introducing 7A Curlew Avenue, Altona, a luxury 4-bedroom home set within a highly prized pocket of bayside Altona. This home combines a striking contemporary façade with spectacular finishes, creating an aspirational masterpiece you're likely to find in design magazines. Set over two spacious levels totaling over 31 sqs (approx.), every detail of this home has been carefully considered. From the moment of arrival, landscaped pathways and entrances lead you into a realm of relaxed modern living that delivers the perfect balance of sophistication and style. Soaring ceilings combine with huge expanses of glass, framing picturesque garden views while skylights flood the living areas with natural light. This home comes complete with a gourmet kitchen, featuring top of the line Smeg appliances, premium benchtops, integrated dishwasher, butler's pantry creating a grand feeling throughout. With all features so often demanded these days, including:- Alarm system & intercom- Ceiling fans in every room- Inbuilt speaker system in the undercover pergola- Inbuilt outdoor heaters and electric café blinds- Fully equipped outdoor kitchen with plumbed in BBQ- Fireplace- Porcelain benchtops throughout- Freestanding bathtub- Ducted Refrigerated heating & cooling. The sense of opulence and luxury continues within the spacious 4 bedrooms and 3.5 bathrooms. Each room has been designed as sanctuaries where the fixtures and finishes combine to make daily rituals become tranquil and effortless. This home contains two master suites with W.I.R and private ensuites, each soaked in natural light and bespoke cabinetry. Tailor made to set a new standard in designer living in Altona, this home is certainly regarded as best in class. This home will not be available for long so be sure to enquire today before it's too late.
