\$1,890,000

Construction underway, completion expected early 2025. Expansive and accommodating, this is where great design and an incredible Bayside lifestyle meet! Impressively scaled with approx. 30 squares of living on a rare approx. 386sqm block, the latest project from Crowhurst Building Design is one of the largest and most innovative homes to come to central Highett. Showcasing the leading-edge expertise of this renowned design practice, this spectacular 4 bedroom, 3.5 bathroom design features window-walled living, dining and study area wrapping a relaxed alfresco area and a quiet lounge at the heart of the first floor. There's even a choice of 5 Star master accommodation, each with a walk-through robe and dual-vanity ensuite; downstairs is a garden-access suite, while upstairs is an immense master-domain with room to retreat. Designed to maximise outward outlooks at every turn, this exciting home will be well-sited in creatively landscaped surrounds with a double auto-garage beyond a deep driveway to the front, and a seemingly endless open aspect across the rear. Specified in Crowhurst's signature state-of-the-art style, the home will unfold beyond a dramatic cedar and concrete render facade to offer well-curated interiors including a Bosch kitchen (with double oven and five burner cooktop) extending to well-designed walk-in pantry. Detailed with concrete-style composite-stone benchtops, and a mix of matte-black and brushed-brass tapware, bathrooms will include dual-head showers, heated towel rails and endless mirror storage. With European oak floors (with acoustic rubber underlay), 100% pure wool plush carpets and solid timber stairs alongside a stylish glass balustrade, the designers' specification details it all - from sparkling pendant lighting and climate-control to Samsung keyless entry even the clothesline is included! Just around the corner from Highland Reserve, and a safe low-traffic walk to Sandringham College, this is a bold new vision for Bayside life with two of the best lifestyle precincts in reach - Highett Rd's station and shopping strip is within a walk & Sandringham's beachside. With construction about to commence, please contact Adam Saunders for more information about this exciting off the plan opportunity. Please note: Images are artist's impressions only.
