Bright, brilliant and beautifully finished, this vibrant dual level residence sets a great tone from the start where the stylish lines of its individual street frontage precede the dynamic luxury of its interior dimensions. Living and dining areas defined by perfectly polished Tasmanian Oak floorboards feature reverse cycle heating/cooling and a scintillating contemporary kitchen before linking seamlessly to a courtyard created to make entertaining easy - and elegant. A main bedroom with walk-in robes and a sophisticated ensuite is intelligently situated on the downstairs level while the allure clearly extends upstairs where two further bedrooms are accompanied by a gleaming second bathroom and a refined retreat or study. Ample storage, secure garage - and a catalogue of additional attractions - complete a sensational Spotswood picture close to Hudsons Road's renowned cafes, the station and McLean Reserve.
