Winning more and more fans with every glance, this brand new four bedroom plus study, four bathroom home reveals glorious design matched with exquisite high end features. Showcasing a gorgeous kitchen, dining and family domain, the main hub leads through a stacker door to a smart yet easily maintained courtyard. Highlighting stainless steel Smeg appliances, cool stone surfaces, soft-close cupboards and a walk-in pantry, the kitchen is the gourmet's natural habitat, while a reclaimed brick feature wall, wide stone-topped entertainment unit and exceptional storage ensure the family area excels. Four luxurious double bedrooms beckon with plush loop pile carpet and two host fully tiled ensuites, including a bedroom poised privately above the double garage. Two more stunning fully tiled bathrooms, a fitted study, 3.32kW solar system, heating/cooling, high ceilings, double glazing, chic light fittings, security system and access to a rear right of way further impress. A short stroll to trains, trams, vibrant Pentridge, buzzing Sydney Road, schools and more, it's simply brilliant. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
