Discover a modern and stylish haven at 7a Namsan Lane, Campbelltown. Perfect for first-time buyers or savvy investors, this chic one-bedroom residence offers convenience and comfort in the heart of Park Central. Don't miss the chance to own this gem! • Thoughtfully designed, this contemporary home is perfect for those seeking a low-maintenance lifestyle. • Enjoy a comfortable and private bedroom, making it an ideal retreat after a long day. • The well-appointed bathroom ensures your daily needs are met with style and functionality. • Benefit from an over sized lock-up garage, providing secure parking and is long enough for a workshop space. • This property was constructed in 2014, ensuring a relatively new and well-maintained home. • The sleek and modern kitchen is a culinary enthusiast's dream, offering both style and functionality. • Embrace the spacious open-plan meals and living area, adorned with new carpet and freshly painted walls for a fresh, welcoming atmosphere. • Relax and unwind on the balcony or enjoy some outdoor entertainment in the courtyard. • Stay cool in summer and warm in winter with the convenience of a split-system air conditioner. • Situated in Park Central, this property offers close proximity to Campbelltown Private and public hospitals, parks, Macarthur Square shopping centre, train station, and reputable schools, including UWS University Campbelltown campus. Don't miss this exceptional opportunity to secure a stylish urban lifestyle in Campbelltown's prime location. Contact us now to arrange a private viewing and seize this chance to own a piece of Campbelltown's contemporary charm.
