Boasting bright, spacious interiors and effortless alfresco entertaining, this three bedroom, two bathroom residence showcases a clever free-flowing floorplan that will thrill first home owners, downsizers and investors alike. Featuring extensive double glazing that floods natural light into broad L-shaped living and dining, this immaculately presented home with a smart streamlined kitchen featuring stone counters and full suite of Fisher & Paykel appliances connecting to an alfresco deck and low-maintenance gardens, sets the scene for a lifestyle of easy indoor-outdoor living and effortless summer entertaining. Mirrored robes and carpets furnish generously proportioned bedrooms that share two fully tiled bathrooms, the master bedroom with a walk-in robe and dual basin vanity in the ensuite. Modern class continues with a separate laundry and powder room, split system heating/cooling, double glazing, extensive storage, oversized garage with internal entry plus off-street parking. In a leafy setting that boasts easy access to a choice of schools, Macleod Station, Shopping village, La Trobe University and the Austin/Mercy hospital precincts, inspection will impress.
